

BOSS VAC

DrillWorx Water Well Vac
DW-350

EVERYTHING YOU NEED NOTHING YOU DON'T

The DW-350 HydroVac unit is a purpose built machine. Designed by well-drillers for well-drillers, the DW-350 is designed to be the pound for pound most powerful, easy to use, and reliable well drilling hydrovac trailer available on the market.

Free from hard to source proprietary parts, unnecessary sensors, and overly complex electronics. The DW-350 is built Texas tough and backed by a two year warranty.
